Welcome to Cornell University
You are being directed to park in the CC Lot on North Campus. TCAT bus service is as frequent as every 15 minutes ($1.50, exact change), and the walk from North to Central Campus takes about ten minutes.

Below are some other options for short-term parking when visiting the campus. Please be sure to read all signs carefully for the time and permit restriction before parking.

If you need assistance, please stop at a parking and information booth, or contact us.

Parking Restrictions: Parking on campus is restricted to permit or payment at all times, unless posted otherwise. Please read all signs carefully before parking.

Parkmobile Pay-by-Cell Parking: Purchase a virtual permit for designated parking areas—just look for the green Parkmobile signs. Rates vary depending on location ($0.75 or $1.50/hour; $6 to $10/day, plus a $0.35 transaction fee). Please note that this is not a parking reservation; do not start a session before you have parked.

Create an account or download the mobile app at www.parkmobile.com, or via the Android or iTunes store.

Pay-and-Display Meter and Single Meter Parking: The hourly rate in most areas is $1.50/hour ($0.75 minimum for 30 minutes). Credit card payment and coins accepted at most meters. The pay-and-display meter receipt must be displayed face up on the vehicle dashboard.

Daily Permits: Stop at an information and parking booth to get directions, purchase a visitor permit, and pick up a campus map, Monday-Friday, 7:30 am - 5 pm. Designated visitor parking areas require a visitor permit.

All-Day Visitor Permit $10; 4-Hour Visitor Permit $6.
