Forget to gas up? Stuck in a snowbank? Soft Tire? Leave your headlights on?

Call Cornell's Motorist Assist Program (M*A*P) at 5-0000

We can recharge a battery; put a gallon of gas in an empty tank; add air to a soft tire; help free a stuck car; de-ice door or trunk locks; and, if we can't help you, we'll call someone who can.

These services are provided courtesy of Cornell's Commuter and Parking Services Monday through Friday, 7:30 a.m. until 6 p.m. when classes are in session, and until 5:30 p.m. during the summer session.

M*A*P services are free, but your vehicle must be on University property—and you may be required to sign a disclaimer form before some services are performed.

Response time is usually between 2 and 20 minutes. Call 255-4600 for more information. For assistance, call 255-0000.
